Hi Chris and Josue,  
Any thoughts on a letter of support for Extera in Montebello from CCSA? We are aiming to submit our application on Friday.

Thanks!

Hi Chris and Josue,

Happy Friday! Wow, what a week!

We are wrapping up final elements of the GPSN planning grant and a question came up about additional letters of support that we could include. We are gathering a couple of letters from the small initial group of Montebello parents that support Extera's expansion into Montebello but in terms of letters from organizations, would it make sense to include a letter from CCSA? If so, this is our request for such a letter! If your support is sort of implied by our referral to GPSN then that's understood as well. Thanks! Let us know.

**5. Demonstrated support** – *What support do you have for your proposed school? Please include evidence of support (parents, partnerships, support from funders, elected officials, community leaders, etc.).*
